Mental Health Services, Inc. (MHS)

1744 Payne Avenue
Cleveland, OH 44114
216-623-6539

<http://www.mhs-inc.org/>

MHS provides crisis intervention services to children, adolescents, and adults in Cuyahoga County. The Mobile Crisis Team can be called when a psychiatric crisis occurs in the schools. They will send out a team of professionals who conduct clinical assessments and help with the referral process. They can

arrange admission to inpatient psychiatric services. They also operate a Children Who Witness Violence Program.

Applewood Centers

216-696-5800

www.applewoodcenters.org

Applewood has 4 office locations, 2 residential centers, and also provides school-based mental health services. They provide counseling, consultation, referrals, and provide response to schools by request.

Bellflower Center for Prevention of Child Abuse

1811 Shaker Boulevard, Suite 220

Cleveland, OH 44120

216-229-8800

www.bellflowercenter.org

Offers mental health assessments, individual and group therapy, and has crisis intervention available through a 24 hour Family Helpline (216) 229-8800.

School-Based Mental Health Tool Kit for Cuyahoga County School Districts

http://www.communitysolutions.com/uploads/project_resources/C01EA6E249034FD8AA0675E96F32EE03.pdf

This is a free resource from the Center for Community Solutions. They presented at a CASP meeting earlier this year. The toolkit gives a comprehensive listing of service providers in the area, and it also has information on school-based mental health services.
