

OSPA will again offer financial aid to subsidize the registration fee for the Spring Conference. Through OSPA's Community of Practice, we can offer OSPA members who are unable to afford the registration fee a discount up to the full cost of registration.

OSPA's Community of Practice is an endeavor in its second year supported by a grant from the Ohio Department of Education and Workforce's Office of Exceptional Children.

To request a stipend, please complete this form as well as a conference registration form and email them both to mail@ospaonline.org. An OSPA representative will then reach out to you regarding your request. You must be an OSPA member to qualify.
