## Search

[INDIVIDUAL](#) [BUSINESS](#)

**Note:** When searching for a licensee or certificate holder it is recommended to start by selecting the Board and enter the name or partial name of the licensee. If you are unsure on the spelling of a name, you can search using a % as a wildcard (ex. A search with “BR%” in last name could return last name results such as Brown, Brady, Britton). It is crucial that any information entered matches precisely how it's stored in the system; otherwise, the individual you're seeking might not be located. The entry of more search criteria will help to narrow down your search results.
